Meet Nature's Richest Fruit: The Prune

**Stand** 4N075

**Address** 1655 North Main Street Ste 395  
Walnut Creek, CA 94596  
United States of America

**Website** [www.sunsweetingredients.com](http://www.sunsweetingredients.com)

**Information** At Sunsweet, we have more than a century's worth of experience growing prunes. In 1917, a group of farmers founded the California Prune and Apricot Growers Association, which evolved into the grower-owned cooperative known today as "Sunsweet." Even after 100 years in business, Sunsweet's mission has always been the same: to provide great eating experiences and good health.
