**Information** The Hazelnut Marketing Board (HMB) was established in 1949 by the growers and handlers of hazelnuts. The purpose of the HMB is fourfold:

- It sets quality standards for the industry; all imported product must meet U.S. standards.
- It is the source of hazelnut industry statistics for the U.S.
- It provides funding for promotion of hazelnuts through research, education and promotion programs.
- It allows, handlers to implement volume control when the board determines it is in the best interest of the industry.
