

Healthy Berries

Family owned and operated since 2010, Healthy Berries Ltd is the proud owner of patented technology that allows us to make this one-of-a-kind healthy product from whole berries. We are able to take the entire berry and turn it in our smooth, nutrient filled Puree for all to enjoy. Our Superfruit Puree is four times better than wild blueberry juice and an immune boosting antioxidant powerhouse. Produced with the highest levels of food safety and food certifications available. Our state of the art BRCG facility is located in beautiful PEI, Canada.
