Website www.hilltopranch.com

Information Founded in 1980 by David and Christine Long, Hilltop Ranch has a long standing tradition of excellence in grower relations and customer service.

Today, Hilltop Ranch is one of the largest privately owned processors of almonds, handling about 30,000 tons annually and shipping to buyers in over 70 countries. With certification by the British Retail Consortium, customers can be assured that Hilltop Ranch complies with global standards for food safety.
