Muwin Estates Wines

Muwin Estate Wines is an award winning owner-operated craft cider and fruit wine producer based in New Ross, Nova Scotia. Muwin's Bulwark ciders were awarded best product of the year 2016 in its category by the Nova Scotia Liquor Board. Muwin has also won several medals including gold medals at the prestigious Canadian Brewers Awards and Great Lakes International Cider and Perry Competition in the USA. Muwin has successfully exported its products to various markets including Germany, UK, China, South Korea, and Taiwan.

Product/Service

Muwin's Bulwark handcrafted cider reflects our values: natural ingredients, exceptional taste, and outstanding craftsmanship. Our quality fruits are harvested from the Annapolis Valley, known for its fertile soil and unique micro-climate. Muwin is one of the few cideries in Canada that handles everything in-house. Apples brought to the cidery are juiced on site and slowly fermented, resulting in a natural cider that's never made from concentrate. The resulting juice is a premium balanced blend of sweetness, acid, and tannins, which is then bottled on site.

BULWARK
HANDCRAFTED CIDER
NOVA SCOTIA

Nova Scotia's only fully integrated cidery where we press, ferment and bottle all onsite.

THE BULWARK WAY...CORE ELEMENTS

- TERROIR**: Keeping everything in balance, naturally. Closer to wine than beer, cider is fermented from the most important, craft cider - is heavily influenced by terroir: the soil, weather conditions, and farming practices. Bulwark's unique personality begins in the orchard - the Annapolis Valley climate and mineral-rich soil are perfect for growing apples.
- 5 SELECT APPLE BLEND**: The DNA of our exceptional cider experience. Bulwark's signature blend of Nova Scotian apple varieties comprises McIntosh, Golden Russet, Honeycrisp and Northern Spy.
- ARTISAN CIDER MAKING**: Picked when in prime condition for apple blossoms, aromas, fully flavoured, and the perfect balance of sweetness, acidity, and tartness. Each batch is handcrafted.
- AUTHENTIC**: Freshly pressed apple juice is slowly fermented one batch at a time for different flavour notes. Adjustments are made by batch, as we look for balance in acid, tannin and sweetness. Our ciders are crafted using a wine production method evoking undertones that are reminiscent of a sparkling wine. It's not 8% local. Bulwark is all natural and made with 100% freshly pressed apples from the Annapolis Valley. Taste profiles of apple blossoms, aromas, light, fruity flavours, and a crisp finish with subtle, sweet undertones.

FOOD PAIRINGS & COCKTAILS

Bulwark and Black
Want to sweeten things up a little? Add a dash of blackcurrant juice for a Bulwark & Black.

Bulwark Black Velvet
3 part Bulwark Original
1 part nice favorite local stout
With your glass on an angle, pour cider to a little over half and let rest. Stir a spoon upside down over cider in the pint glass and slowly pour your favorite stout over the back of the spoon to evenly distribute the flow and keep from mixing with cider. Stir! Mix! Always be on top, add a dash of blackcurrant juice to create a Bulwark Red Velvet.

Bulwark Snakebite
1 part Bulwark Original
1 part your favorite local lager
Pour the cider first, then the beer into a pint glass...add a dash of blackcurrant juice, for a Bulwark Snakebite & Black also known as Bulwark Snake.

ORIGINAL
100% apple juice. Original is the base for all our ciders setting the standard of excellence and craftsmanship we strive for with each batch. Our signature flavour is achieved through our careful blending of five varieties of freshly-pressed Annapolis Valley apples. The dry start is quite complex without the intense sharpness often associated with many traditional dry ciders. It quickly moves to an almost whiskey and slightly mineral fullness before relaxing into a really Royal Flush. Great on its own or on ice! Serve chilled. 5.8% alc./vol. Gold 2017 Great Lakes International Cider & New Canadian Ciders

BLUSH
Bulwark Blush is made with freshly-pressed Nova Scotia Annapolis Valley apples blended with berries. This luscious concoction has a bright wild berry aroma that superbly complements the apple blend, resulting in a gorgeously fruited cider with a traditional character. Juicy and highly refreshing - Bulwark Blush is a sure hit on hot summer days and can be enjoyed on any occasion. Great on its own or on ice! Serve chilled. 5.8% alc./vol. Gold 2017 Canadian Brewing Awards "Cider with Other Flavour"

GOLD
Bulwark Gold is inspired by the glow of the sun that feeds our 100% Annapolis Valley apples. Notes of summer orchard fruit and honey are infused with our signature apple blend, creating an exciting smooth cider. Golden-hued and delicious, Bulwark Gold is great on its own or on ice. Experience an award-winning taste of liquid apple gold. Serve chilled. 5.8% alc./vol. Gold 2017 Canadian Brewing Awards "Specialty Cider"

HOPPED
Hope and Annapolis Valley apples combine in harmonious balance for a citrus-forward, hoppy cider. The apple blend complements the gentle bitterness characteristics of dry-hopped lemons, Canada and Comet varieties bring to the mix notes of lemon and mouthwatering grapefruit. The hops are added post-fermentation to create a dry yet fruit-forward balance with a herbaceous nose. Serve chilled. 6.0% alc./vol. Gold 2017 Cider Inside The Cup "By Hoppy, Dry Cider"
