

PRODUITS BELLE BAIE

Frozen seafood **Cold Water Shrimp** (*Pandalus Borealis*)
cooked and peeled

Certification MSC, BRC

Information Do yourself a favour by purchasing the best! Perfectly meaty and tender shrimps direct from the depths of the icy water of the Atlantic. A real treat for seafood lovers. Belle Baie: a synonym for quality.

Produits Belle Baie Ltée/Belle Bay Produits Limited has been a processor and packer of fish and seafood for over 40 years. They started procession Canadian snow crab around 1967, followed by cold water shrimp and ground fish. Their goal has always been to pack a quality product at an affordable price.

Produits Belle Baie produces traditional and custom packs of all species, including foodservice and retail packs, fresh packs and other specialty products.
