Product Craft beer, cider and RTDs

The company

At Saltbox Brewing Company, they celebrate the development of the skills and artistry required to create fresh, full-flavored beer and cider for consumption by the community.

Saltbox Brewing Company started this craft beer brewery for the community to enjoy.

The products

Saltbox Brewing Company takes great pride in creating unique, and wonderful craft beer, cider and RTDs made with high-quality ingredients.

Each of their products tells a story, represents the heritage around them, or a cause they believe in! Saltbox Brewing Company creates these for the consumers and hopes they enjoy them too!

The products that will be highlighted during the meetings are:

- The essential IPA
- The Haskap Cider
- The Little Tart Strawberry Rhubarb Vodka Sodas

Purpose and Values

Saltbox is tied to their local history, with the desire to create new history from their products and service. Everyone is treated like family and they give their people always the opportunity to grow.
