The company

Leading Distributor of Canadian Sea Food. We have partnerships with over 400 local fishermen in the Atlantic region. Most run their own vessels. Fishing has been a way of life for generations. They know the sea, respect it and honor its traditions.

About World Link Food Distributors

World Link Food Distributors ships over 8 million pounds of live lobster to 24 countries in North America, Europe, and Asia from 3 processing facilities in South Nova Scotia and 1 processing unit in Prince Edward Island. We distribute frozen and fresh seafood products from Atlantic Canada to our valued customers using the most efficient logistic routes possible. World Link Food Distributors Inc was awarded a spot on the 2017 PROFIT 500 ranking of Canada's fastest-growing companies. We are the preferred partner of seafood to many small and large wholesalers across the country. We are also the direct supplier of seafood for several major Canadian grocery chains.

Our Products

World Link Food Distributors carries a wide range of live, fresh and frozen seafood. Our extended network of fishermen across Nova Scotia catches the best of Atlantic Canadian seafood. Our partnerships with market-leading processing facilities and our unique hand on quality control enables us to bring the best quality live, fresh or frozen seafood to domestic and international markets.

Trace Me

Are you interested to know where your lobster came from and who caught it? All our live Atlantic lobster comes banded with a Trace Me code. Use the form on the Trace Me site to find out all about your lobster.
